

## icould career video student worksheet

Watch a video on [icould.com](https://www.icould.com) then answer the following questions:

1.	What is this person's job title?
2.	What does their job involve?
3.	What school subjects do you think would be useful for this job and why?
4.	What skills or personal qualities do you think you need for this job?
5.	Do you think this person enjoys their job? Why?
6.	What aspects of this person's job or career path appeal to you?
7.	List this person's key career steps in a few bullet points (think about education, training and work).
8.	Does this person talk about any problems or turning points? If so, what happened?
9.	What is your top takeaway from this video - does this person say anything interesting or helpful?
