

# Behind every successful person...

[www.icould.com](http://www.icould.com)

Name \_\_\_\_\_

Not everyone can be a superstar, but every successful person relies on a range of people to support them in what they do.

Watch some of the videos at: <http://icould.com/stories/subject/music-curriculum/> and explore roles such as video director, make-up artist and publicist, which all support stars in the music industry. Could you be a backstage hero?

## TASK

Write the name of a famous person in the central circle below.

In the next circle write down the jobs of people this person may work with on a regular basis.

In the outer section write down the jobs of other people who might support this person occasionally.

A diagram consisting of three concentric circles. The innermost circle is white and contains the text 'Name of star' above a horizontal line. The middle ring is a light green color. The outermost ring is a darker green color.

Name of star
